side pack  
Brushcutter

To

Conversion  
kit

Single wheel  
And  
Double wheel  
Brushcutter kit

**SIDEPACK  
TO  
SINGLE WHEEL  
CONVERSIONKIT**

## **BASIC FRAME CONVERSION KIT:**

If you are having a side pack Type Brush cutter with these design clutch housing assembly means simply go for this basic conversion kit

**Clutch housing assembly (26/28mm)**

## BASIC CONVERSION KIT FOR SIDE PACK TYPE BRUSHCUTTER:

Wheel set

Shaft set  
26/28mm dia

Frame

Switch

Clamp and screws

# HITECH UZHAVAN AGRO ENGINEERING EQUIPMENTS

(CULTIVAING IDEAS FOR GROWTH)

If clutch housing assembly doesn't matches our design means go for this conversion kit

This kit comes with the below attachments

Clamp and screws

Shaft set  
26/28mm dia

Frame

Switch

Wheel set

Clutch housing  
26/28mm dia

Normally all those backpack type Brushcutters only comes with 26mm dia pipe and flexible shaft. We need to add some basic accessories to convert this type to single wheel type

\*Handle mount

\*Handle set

\*Clutch housing assembly (26/28mm)

# HITECH UZHAVAN AGRO ENGINEERING EQUIPMENTS

(CULTIVAING IDEAS FOR GROWTH)

For converting normal backpack type Brushcutters to single wheel type Brushcutters simply go for this kit

Wheel set

Shaft set  
26mm dia

Frame

Handle set

Handle mount

clamp and screws

Switch

Clutch housing assembly  
26mm dia

# HITECH UZHAVAN AGRO ENGINEERING EQUIPMENTS

(CULTIVAING IDEAS FOR GROWTH)

In some Brush cutters engine design, fuel tank carburetor design are totally different

For that type Brushcutters we need to modify engine also

In that case go for this kit

Just like single wheel conversion kit double wheel kit also same but shaft dimensions and designs are little bit changed otherwise assembly wise and maintenance wise everything is same.

## **BASIC DOUBLE WHEEL CONVERSION KIT:**

If you are having a side pack Type Brushcutter with these design clutch housing assembly means simply go for this basic conversion kit

**Clutch housing assembly (26/28mm)**

## BASIC DOUBLE WHEEL CONVERSION KIT:

Frame

Wheel set

Shaft set  
28/26 mm dia

Switch

Clamp and screws
